

# Interested in graduate study in film?

(MA/PhD or MFA)

Attend an info session hosted by  
Smith's Film Studies Program and  
open to all Five College students.

Tuesday, October 23<sup>rd</sup>, 5:00 PM  
Seelye Hall 201, Smith College

Presented by:

Alexandra Keller  
(Associate Professor of Film Studies at Smith)

Jennifer Malkowski  
(McPherson Post-doctoral Fellow  
in Film and New Media at Smith)

Bernadine Mellis  
(Five College Visiting Artist in Film Studies)

The session will provide a basic overview of grad school:  
why you might choose to go or not to go, what kind of  
experience you should expect, the types of background  
and application materials good programs might require,  
and the financial aspects of graduate education.

The goal of this session is to help you make informed  
choices about if/when, where, and how to apply for a  
program. Please bring any questions you have and we  
will allow time to discuss them.
