The Acton-Boxborough Cultural Council (www.actonboxboroughculturalcouncil.org) was established in 1982 to promote the arts, humanities, and interpretive sciences, to help develop cultural programs in the Acton and Boxborough communities and to award and administer Massachusetts Cultural Council (MCC) Grant funds. We accomplish these goals by:

- Reviewing grant applications from individuals, schools, and arts organizations and awarding MCC grant funds to projects that provide a local public benefit;
- Sponsoring annual cultural programs for the Acton and Boxborough communities using funds generously designated by the towns. These funds have been used by the ABCC to present jazz and classical music concerts, vocal performances, opera, public art installations and more;
- Advocating for the arts through community outreach and publicity.

The Acton-Boxborough Cultural Council is funded by the Massachusetts Cultural Council, a state agency that promotes excellence, access, education and diversity in the arts, humanities, and interpretive sciences to improve the quality of life for all Massachusetts residents and contribute to the economic vitality of our communities.
